

## Library Update

Due to irreconcilable differences Fabius Township is no longer under contract with the Three Rivers Library. Our final offer is listed below.

We offered \$ 29.56 per cardholder. This is **double what Lockport township** is paying which amounted to \$33,757.00

We offered \$ 3,379.00 to reimburse them annually for state aid.

We offered \$ 2864.00 annually specifically for a children's reading program.

In total we offered them an annual payment in the area of 40K a year.

Although we are disappointed we will respect their decision and wish them well as they steer the library in a different direction.
